PRAY
INVITE
GIVE **more.**

We believe that we can't do everything,
but we can all do something.

Everyone has a part to play.

We point people to Jesus and His Word, but we believe that we do it better together, through our local church. It's the same sense of unity and community and everyone playing the key role that God has given them that will make this season of growth and expansion all that God intends it to be.
